

LEGACY PAVILION --Rules and Policies

The purpose of the Legacy Pavilion (LP), which includes the adjacent Legacy Pavilion Grilling Station, is to serve as valued amenity of Camp Hazelhurst to foster and encourage the distinctive culture of community in our Camp. The LP rules and policies are designed to define the access and use, the on-going management and operation.

The Legacy Pavilion, including the adjacent Grilling Station, is operated, maintained and managed by the Legacy Pavilion Committee and designated chairperson(s) and is a component of the Hazelhurst Operating Committee.

SECTION A: Access and use; rules and policies:

1. The LP structure is provided to accommodate individual members and multiple groups of members and their guests
2. The LP Calendar of Events: The Legacy Pavilion Committee Chair(s), or designee, shall manage a working calendar of scheduled and reserved activities for the LP. This will be posted and act as the working calendar of availability of the LP.
3. Family/group or potlucks: Membership group potlucks and social gatherings are encouraged at the LP.
 - a. Access Rules: To accommodate multiple groups at one time should it arise, one group cannot utilize more than one-quarter of the picnic tables and/or one-quarter of the Pavilion slab. If this group does expand and need to overflow into a larger area or utilize more picnic tables, they are welcome to do so. However, should another group show up to also seek to utilize the LP, each group must accommodate the other group by reverting to their allotted space and picnic table count and make accessible the space and tables to the other party as needed.
 - b. Scheduled Camp Hazelhurst exclusive-use camp activities and functions will have priority of use, full or partial, of the LP over other groups or individuals
 - c. Overflow by a group may also utilize the lawn area surrounding the Legacy Pavilion but must make the allotted picnic tables available to other group(s) as defined above
4. Clean-up procedures: Remove trash, clean the area and replace furniture and picnic tables properly spaced on the LP floor.
5. Amplified music is allowed at low levels and only if no others are present at or near the Legacy Pavilion, unless it is designated as part of an official Camp Hazelhurst event
